

# Geography Curriculum Survey

Please help 4-H develop an innovative educational curriculum with your input. Please fill out and submit this form to: Alex Diaz (alexdiaz@ufl.edu) or Ivette Valentin (valbayon@ufl.edu), Fax: 305-592-8044, or Mail to: 4-H Miami Dade, 1455 NW 107 Ave, Suit 906, Miami, FL, 33172

Who are you? (Select all that apply):  A Youth(age \_\_\_\_\_)  An Adult (what age group \_\_\_\_\_)

School teacher  Parent who is interested  After school personnel  4-H club leader

Homeschooler

Have you taught Geography:  Yes  No  Have you taken Geography:  Yes  No

Are you interested in Geography: Yes, No. If "No" why not? \_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

Would you be interested in creating a wall sized world map mural that can be used as an educational tool:  Yes  No. If "No" Why not?

What aspect of geography are you more interested in teaching or learning:  physical  cultural  political  historical  economical  plant, insect & animal

What objectives do you wish to learn or teach through geography? \_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

As a adult teacher/4-H leader what subject matter would you be interesting in teaching through a geography program?

(Example: I would like to teach youth geography through teaching youth about invasive species plant /animals; learn where invasive plants/animal are from, their native environment and how they got here.) (Example: I would like to teach youth geography through teaching youth about water conservation efforts from around the world.)
