

FREE OSHA guidelines consultation:

If you need to go over some points with a safety professional before OSHA inspector visit you. Now, you can use this FREE service funded by OSHA in Florida.

They are located in Tampa but can come all the way to your Nursery if you register for a visit.

Telephone: (TOLL FREE) Number: 866-273-1105

Website: www.safetyflorida.usf.edu

Once you enter to this website. Look for the upper left icon:

Click on Request a Free Consultation!

The image shows a screenshot of the USF SafetyFlorida website. At the top left is the USF Health logo. The main header includes navigation links for Health, Education, Research, Healthcare, and Service. Below the header is a navigation bar with icons for 'Request a Free Consultation', 'Borrow Safety Videos', 'Safety Writer', 'Accident Tracker', and 'Record Keeper'. A large orange arrow points to the 'Request a Free Consultation' button. Below the navigation bar is a section with five columns: 'Sunshine State Award', 'Defer OSHA Inspections with SHARP', 'Get the Most from a Consultation', 'Learn About USF SafetyFlorida', and 'Register OSHA Institution'. At the bottom is a banner for 'SafetyWriter' with the text: 'Fix the risk -- use SafetyWriter to click together a complete safety plan. Using a sound basic text built into the system, you tell SafetyWriter what to add to customize your plan to your business.'

Thanks for attending our annual class: OSHA /Globally Harmonized System (GHS) and Nurseries and hope to see you in our upcoming OSHA classes in English and Spanish:

For more information go to <http://miami-dade.ifas.ufl.edu> or contact your UF/IFAS Extension Miami-Dade agent: Vanessa Campoverde for small group trainings (minimum 10 people) with 3 weeks in advance at evcampoverde@ufl.edu
